

## Wyoming Employment and Payroll: Modest Job Growth in Second Quarter 2025

The Research & Planning section of the Wyoming Department of Workforce Services reported today that from second quarter 2024 to second quarter 2025, total employment in the state grew by 1,059 jobs (0.4%) and total payroll increased by \$126.5 million (3.0%). Employment rose in 15 counties and fell in eight counties. Total payroll increased in 22 counties and fell in Teton County.

Laramie County added 1,205 jobs (2.5%) and its total payroll rose by \$49.0 million (6.9%). The construction sector added nearly 900 jobs and smaller job gains were seen in local government; arts, entertainment, & recreation; and transportation & warehousing. Job losses occurred in administrative & waste services, federal government, and private educational services.

Teton County gained 455 jobs (2.0%), but its total payroll fell by \$52.6 million (-11.0%). Accommodation & food services added nearly 700 jobs, but those job gains were partially offset by job losses in construction; professional & technical services; and arts, entertainment, & recreation. The decrease in total payroll was the result of bonuses paid in second quarter 2024, but not repeated in 2025.

Employment in Sheridan County rose by 316 jobs (2.2%) and its total payroll increased by \$18.1 million (9.3%). Growth was seen in local government, retail trade, accommodation & food services, construction, and manufacturing. Employment fell in health care & social assistance, federal government, and management of companies & enterprises.

Natrona County added 208 jobs (0.5%) and its total payroll grew by \$22.4 million (3.8%). Large job gains were reported in transportation & warehousing, health care & social assistance, other services, and manufacturing, while job losses were seen in construction; local government; and arts, entertainment, & recreation.

Albany County gained 173 jobs (1.0%) and its total payroll rose by \$7.3 million (3.3%). Job gains in state government, construction, and retail trade were partially offset by job losses in accommodation & food ser-
